Night Fly Event: was almost a blowout but we got a break in the wind for about an hour. About 6 pilots and 5 observers showed up. Adam Kremers provided a generator for lighting and lights were placed on the runway for assistance.

Glider/Old Timer Event: was a great day. The weather was perfect and plenty of pilots came out. Don't forget, all our events run from 9 to 11. Unrestricted (planes that don't match the event category) flying is permitted before and after the event.

Glider? Old Timer? I think not! You're disqualified.

OK Paul, that's better! You're reinstated!

The Water Dogs Last Float Fly of the year! This is brought to you by your roving reporter, Larry.
