Board Members and Officers	
President:	George Kohler
Vice President:	Paul Ciotti
Treasurer:	Tim Ahl
Secretary:	Dave Vandenberg
Safety Officer:	Donn Thane
Field Marshal:	Alan Clark
Newsletter Editor:	Dan Etcheto
Web Master:	Dan Etcheto

The club hosted the Fossil Fuel Fun Fly on the 8th. There were 18 people and 11 planes plus a few spectators. Nice day except for the heat starting about 10ish. Here are some pictures taken at the event:

Electricity filled the air this August Saturday the 22nd. I would guess there were some 24 electric flyers. Mother nature gave us some beautiful weather for most of the day, and flyers took advantage of it. You could tell we had a good turnout by the three deep rows of cars in the parking lot with all tables filled and the overflow of cars parked along the fence line.

We had a couple of mishaps of planes with a broken wing and a mangled twin. But there was some great flying by the experts and as always the raffle prizes. With our newest pilot Sherrie picking the first Raffle ticket, the big prize winner was Vince B with the 72 inch Joe Bridi Lode Star aircraft.

I didn't get all the planes and pilots identified and even misnamed some planes, but here are a few. Jeff had a Granger Funarma and his mini Ultra Stik. President George flew both his big foamies, the T-28 and Yak 11. Roger had a nice looking high winged aircraft. Bill had a Swift and a Commander. Tim flew his Widgeon (seaplane amphibian on wheels), a Consendo and a Pulse. Richard V from Reno had a Timber doing a circle to the left while rolling right. Shawn put his Piper Cub to the test. Bob H had a RV-8 flying. Adam put his twin in the air with the Pitts tearing up the sky. Donn had a T-28 and another plane. Wes had his Consendo in the air along with that beautiful Swizzle Stik. Dan O and his squadron put up his Bald Eagle to keep the Ravens away. Larry had his Pilautiss. Darrel brought out his trusty Kingfisher, the one without floats. Dave V had his Electrastar, T-28 and the Tripacer.

I especially want to thank Paul for raising the colors. I arrived at the field a little before 7:30 AM and already the flag was flying. I also want to thank Sherrie for picking the first Raffle ticket and Tim for helping me carry out my raffle stuff. Thanks to whomever volunteered the goodies. Thanks Larry for the great photos. I really look forward to next year when we pass the hosting along to Adam. Hope to see you there. GF

"Matching" colors

Yep, it flies good

No peeking

The sign says it all

George says he has a pair of Aces

No thanks, I think I'll keep these

The High Sierra RC Club

Roger, Bill and Steve with the big smile

My glider is faster than yours!

Paul's pattern plane covering up Dragco

Next Event: September 19th, Glider/Old Timer Fun Fly

If you are a new, old, or a prospective club member please join us for our monthly meetings at the Carson City Airport Terminal Building, 2600 College Parkway. We try to hold them the second Tuesday of the month in the evenings.
